FIRE-The ringing of bells and the cry of "fire!" startled our citizens from their first soft slumbers about 11 o'clock last Thursday night. The fire was found to be in the blacksmith shop of Mr. Holloman, again; for we belive this is the third time his shop has been burned within a few years past. The house was torn down, rather than burned,-it being a light frame building.-The fire companies were promptly on the spot, and acted well; not only preventing the further spread of the flames, but extinguishing the fallen ruins of the shop itself. We have not learned the origin of the fire, but it was no doubt accidental. The loss is not very heavy, we presume.—Raleigh Standard, 21st, inst.

THE FLORA TEMPLE.—A letter has been received in our city, giving the particulars of the loss of this ship. There had been a mutiny among the Coolies on board, during which it was necessary to shoot several of the mutineers, drive the others below and fasten down the hatches. Shortly after this the ship struck upon a rock and sunk, the officers and crew escaping in the boats and all arriving safely at Manilla. NEGRO OUTRAGE IN CANADA WEST .- On Monday an intense excitement was caused in Anderdon, C. W. o'clock at night and made an attack upon it. Mrs. G. and three men were at home at the time, and they detended themselves; but as they were destitute of firearms, the negroes made an entrance and knocked down and beat the inmates in a terrible manner. The lady was beaten in an inhuman manner, and then subjected to most fiendish indignities. The next day officers started in pursuit of the ruffians and succeeded in arresting them, but before they could be secured they were rescued by an armed mob and set at liberty. This aroused the white citizens, who formed themselves into bands to

The result has been so very satisfactory that I am very glad I did so, and in justice to you, as well as for the encouragement of others who may be as gray as I was, but who have my prejudice without my reasons for setting it aside, are unwilling to give your Restorative a trial till they

> My hair is now its natural color and much improved in appearance every way, being glossier and thicker and much more healthy looking. I am, Yours Respectfully. HENRY JENKINS.

Cor. Columbia and Carroll Fts., Brooklyn. LIVINGSTON, Ala., Feb. 14, 1858. PROF. WOOD-Dear Sir: Your Hair Restorative has done much good in this part of the country. My hair has been slightly diminishing for several years, caused, I suppose, from a slight burn when I was quite an infant. I have been using your Hair Restorative for six weeks, and I find that I have a fine head of hair now growing, after having used all other remedies known, to no effect. I think it the most valnable remedy now extant, and advise all who are afflicted that way to use your remedy.

You can publish this if you think proper. Yours, &c., S. W. MIDDLETON PHILADELPHIA, Sept. 9, 1859. Prof. Wood Dear Sir: Your Hair Restorative is proving itself beneficial to me. The front, and also the back part of my head almost lost its covering-was in fact BALD. I have used but 2 half pint bottles of your Restorative, and now the top of my head is well studded with a promising crop of young hair, and the front is also receiving its benefit. I have tried other preparations without any benefit whatever. I think from my own personal recommendations, I can induce many others to try it.

D. R. THOMAS, M. D., Yours, respectfully, No. 464 Vine Street. The Restorative is put up in bottles of three sizes, viz: large, medium, and small; the small holds a pint, and retails for one dollar per bottle; the medium holds at least twenty per cent. more in proportion than the small, retails for two dollars per bottle; the large holds a quart, 40 per cent. more in proportion, and retails for \$3 a bottle.
